

Rock Painting

Saturday September 28th-10AM- At the Pavilion

Come on out and paint some rocks with Kim Andreacola! Since our last rock painting was a great success, we are asking you to bring a larger rock to paint (Make sure it is clean and ready to go).

They will enhance our flower gardens around the community. Small rocks and paint will be provided. And, of course, you can take one home!

This is a great activity for all ages!

Please wear your BCL Badges
